La Petite France Café

349 Main Street, Hyannis

508-775-1067

www.lapetitefrancecafe.com

When people who work on Main Street need to take a breather, this little gem is where they head for coffee and a friendly chat. The pastry case features buttery croissants (plain or filled), cookies and muffins, just the thing to complement a steaming cappuccino or latté. Lunch sandwiches are hefty and made to order.
